Program Matches

LIHEAP: no_clear_match (score 0.6)

Why LIHEAP?

- Household income exceeds typical eligibility thresholds for LIHEAP.

The following individuals and members of their households are considered to be responsible for home-heating costs: 55 Pa. Code § 601.31(2) LIHEAP State Plan § 601.31(2) - Homeowners and renters, including people living in subsidized housing, who are responsible to pay an energy provider directly…

- Household is not responsible for heating costs as they are staying with relatives.

LIHEAP State Plan, Appendix B § 601.32 Household already received maximum crisis payment You told us who lives in your household, but did not send proof. Your household did not send proof that it is responsible for heating costs. 55 Pa. Code § 601.104 The utility you chose does not provide a source…

- No indication of a heating emergency or need for heating assistance.

SNAP: no_clear_match (score 0.4)

Why SNAP?

- The household's gross monthly income of $3200 exceeds the 130% FPIG limit for a single adult.

Types of changes to be reported depend on if the household is enrolled in SAR . A household enrolled in SAR must report: - Gross monthly income exceeding 130 percent of the federal poverty income guidelines (FPIG); and - Work hours that fall below 80 hours per month, or an average of 20 hours…

- The household does not have any children or elderly/disabled members, which affects eligibility.

A household does not qualify for categorical eligibility or expanded categorical eligibility if a member of the household is disqualified for: - Failure to comply with semiannual reporting (SAR) requirements - Failure to comply with employment and training requirements. This applies to head of…

- The household's income is not below the threshold for expedited service criteria.

Medicaid/CHIP: no_clear_match (score 0.4)

Why Medicaid/CHIP?

- The household income of $3200 exceeds the 100% Federal Poverty Income Guidelines for a single adult.

- The total net countable income of the Healthy Horizons family is 100 percent of the Federal Poverty Income Guidelines (FPIGs) or less. 55 Pa. Code § 140.201(a) 55 Pa. Code § 140.231(a) - The total countable resources of the Healthy Horizons family are the same as the SSI resource limit or less.…

- The individual is employed full-time, which does not meet the criteria for being considered unemployed or underemployed.

A child is considered deprived if one or both parents ,the specified relative, or other adult caretaker meet the conditions to be considered unemployed or underemployed . Parent(s) and specified relatives can be considered for both Temporary Assistance for Needy Families (TANF)-related Medically…

- The household does not include any children or pregnant members, which limits eligibility considerations.

250% of the Federal Poverty Income Guidelines - The resource limit is equal to or less than $10,000, regardless of family size. - The resources of the applicantâ€ s spouse are included NOTE: Do not exclude resources for families with children under 21 in the…
